Please check your proof carefully. Color varies from one computer monitor to another. If your files were sent according to the guidelines you received with your quote, the finished product should be the result you expected within the limitation of the printed medium. Every effort has been made to ensure accuracy, but errors do occur. You are the final inspector. Any changes made after final approval will result in extra charges based on the time involved in making corrections. Jobs will not be run without an approved proof. The lanyard is for proofing purposes only, available for purchase.

PROMPT RETURN OF THE PROOF WILL HELP AVOID DELAYS IN COMPLETING YOUR ORDER.
